## 2017-2018 NJASC ADMINISTRATOR OF THE YEAR

The NJASC recognizes the important role and contribution of school administrators in coordinating and supporting student activities. Each year, the NJASC proudly awards one special individual the honor of being the New Jersey Administrator of the Year. If your school or district has a truly special person serving as an administrator, we are asking you to nominate them for this award.

The nominee should be someone who has assisted student leaders in your school and their participation in NJASC events by being supportive of the policies, programs, and leadership activities of the oldest established Student Council organization in the United States. The timelines for application submission, the decision process, and the presentation of the award are as follows:

- The application form will be approved by the State Officers in November 2016 and posted for download on the NJASC website soon thereafter.
- Completed applications and all letters of recommendation must be mailed to NJASC Executive Director Lou Miller postmarked no later than **June 30, 2017**.
- The NJASC State Officers will review all applications and decide the award winner at their September 2017 Executive meeting.
- The NJASC Administrator of the Year award will be presented at the Fall Business Meeting in October 2017. The winner will be invited to receive his/her plaque, and will be asked to briefly speak to those in attendance.

If your Student Council is interested in nominating an administrator for this award, please complete and mail all the following **postmarked by June 30, 2017** to:

Lou Miller, NJASC Executive Director  
25 Linda Place  
Denville, NJ 07834
