REGION 2 CONFERENCE

This year's annual Region 2 Conference was held at Ocean City High School in Ocean City, New Jersey on the weekend of April 25th-27th. The State Officers and Administrative Assistants have become even closer than before.

We not only created a great bond with each other but with our fellow Region 2 members from Maryland, New York, and Pennsylvania, as well! Much was learned in workshops and roundtables this weekend and it was an

experience that we will not soon forget.

During this year's conference, the selection process for the new Region 2 Representative took place. The process included energizers and applicant interviews. Each candidate

was insanely qualified, but only one could be chosen. The next NASC Region 2 Representative is none other than one of our very own, Jeff Hunt, from Parsippany Hills High School!

CONGRATULATIONS, JEFF!

We are all very proud and excited to have Jeff represent our Region with NASC! We know he'll do amazing in his role and wish him the best of luck for what is to come. A great thanks to him for making Jersey truly S.H.I.N.E.!
