PROVIDE A BRIEF DESCRIPTION OF THIS PROJECT:

The Allentown High School Student Council sponsors a Haunted House around Halloween. There is a fee for admission and the children all leave with a goody-bag full of candy. We always make sure that we cater to the fun side of Halloween. This event is usually geared towards grades K-5.

DESCRIBE THE PLANNING & EXECUTION OF THIS PROJECT:

All extracurricular activities are asked to participate in order to make this a school wide event. Those who accept are assigned their own room and are asked to come up with a child friendly theme. Examples from past years include: fortune telling, a haunted laboratory, and a graveyard. Student Council Members tour the children and their families to the different rooms while dressed in a costume of their choice.

DESCRIBE THE BENEFIT OF THIS PROJECT BENEFIT TO SCHOOL AND/OR COMMUNITY:

This event brings the community together and is one of few events we have that is geared toward children.

EVALUATE THE EFFECTIVENESS OF THIS PROJECT, REFLECTING ON ANY POSSIBLE CHANGES YOU MIGHT CONSIDER:

Overall the younger students enjoy this event – we need to do a better job advertising it and getting more clubs involved.
