PROVIDE A BRIEF DESCRIPTION OF THIS PROJECT:

The annual Frosh Night is a way for the Seniors of Parsippany Hills High School to meet and socialize with the new freshmen of the highschool. The night is filled with fun, leadership building games that require the efforts of both freshmen and seniors. Each team is made up of at least 4 seniors and then freshmen are randomly placed on a team. There are different stations consisting of one game or challenge and at each stations two teams will go against one another. At the end of the event an overwall winner is announced as well as the team with the most spirit.

DESCRIBE THE PLANNING & EXECUTION OF THIS PROJECT:

Planning for this project usually begins early in September since the event is intentionally placed early in the year for seniors and freshmen to meet. The leaders of this project will plan what and how many games will be played. Also, the teams are executed to ensure there are an equal amount of players on each team and that each team consists of both grades.

DESCRIBE THE BENEFIT OF THIS PROJECT BENEFIT TO SCHOOL AND/OR COMMUNITY:

The benefit for the project is that upperclassmen and lowerclassmen can meet. This allows the school to be harmonious and a more unified.

EVALUATE THE EFFECTIVENESS OF THIS PROJECT, REFLECTING ON ANY POSSIBLE CHANGES YOU MIGHT CONSIDER:

Frosh Night is always a fun experience that encourages student participation and unity. In addition, it allows freshmen and seniors to work together. However, over the past couple of years, the event has had a limited amount of freshmen against a high amount of senior participation. Therefore, possible changes might include increasing advertising and promoting an incentive to freshmen.
