## **PROVIDE A BRIEF DESCRIPTION OF THIS PROJECT:**

This Student Council event is so much fun. We had a lot of 8<sup>th</sup> grade guys that wanted to do this event. Basically, this event is a guy beauty pageant. First, we make a list of all of the 8<sup>th</sup> grade guys who are interested in participating. The pageant consists of categories including casual wear, sports wear, formal wear, a talent, and the questions. Once everyone has had their pictures taken and their talents and questions filmed, we edit everything and then post it on our announcements. Once we have put the various "contestants" on the announcements, we have a vote for 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> graders and the "contestant" who has the most votes wins.

## **DESCRIBE THE PLANNING & EXECUTION OF THIS PROJECT:**

The planning and execution of this was fairly simple. First, our president and vice president went to talk to our principal. Next, the committee and our Student Council Advisors stayed after school to plan how and when we were going to do this event. Then, we had sign ups for any 8<sup>th</sup> grade guy that wanted to have their shot at being that years Mr. Southampton. After we had the list of contestants, we had a general meeting about what it was about, what you have to do, and when we would take your pictures and film them. Then, we played the videos and still pictures on the morning announcements.

## **DESCRIBE THE BENEFIT OF THIS PROJECT BENEFIT TO SCHOOL AND/OR COMMUNITY:**

This was a fun event for the 8<sup>th</sup> grade boys who participated and was fun for the students who voted.

## **EVALUATE THE EFFECTIVENESS OF THIS PROJECT, REFLECTING ON ANY POSSIBLE CHANGES YOU MIGHT CONSIDER:**

Now that we know how much time is involved in taking pictures of and filming the contestants we will need to plan this event for earlier in the year, and make sure the committee members are available during activity period to take pictures.
