This project was made for the students to promote school spirit and provide a fun show for them to watch and take part in. Students volunteer to model clothing that is donated by stores and it raised money for student council and senior scholarships.

DESCRIBE THE PLANNING & EXECUTION OF THIS PROJECT:

Two months prior the student council began asking for clothing donations and planning for the show with music and stage crew. One month prior the students signed up to be models and were fitted for clothing as well as planning the show and collecting decorations. One week prior daily rehearsals began, the runway was set up, tickets were sold, and models were prepped.

DESCRIBE THE BENEFIT OF THIS PROJECT BENEFIT TO SCHOOL AND/OR COMMUNITY:

This project was a benefit because all teachers and students along with their family members and friends were invited. It also raised money and encouraged different groups of students to interact and develop confidence.

EVALUATE THE EFFECTIVENESS OF THIS PROJECT, REFLECTING ON ANY POSSIBLE CHANGES YOU MIGHT CONSIDER:

It was very successful because it had been run previously many times and it is a very well known event. Many tickets were sold and it brought the school and community closer together. It was suggested that there was more PTSA involvement in order to better prepare.
